

SUNBRELLA®

Design + Performances

100% Sunbrella® solution dyed acrylic, a dependable fabric, is the perfect choice for outdoor cushions. Yarns are finished with water repellent coating, reducing water absorbency. Extremely fade resistant and easy to clean, Sunbrella® has sublime anti-tear and tensile strength specifications, facilitating intensive outdoor usage. Sunbrella® is a USA based company, manufacturing performance outdoor textiles since the 1960's.

STAMSKIN® Upholstery

Designed in France,
manufactured in Switzerland by Serge Ferrari
Application : upholstered frames

This water-tight faux leather fabric offers excellent resistance over time. Versatile and durable, this soft feeling marine-grade artificial leather has a high UV protection and anti-soil, fungal and microbial treatment. Cleaning can be done using the Serge Ferrari 500 Cleaner (or a similar PH neutral textile detergent).
